To whom it may concern

The proposed changes have been reviewed along with supporting documentation detailing the modifications and their effect on product operation. In our opinion compliance with the standards listed on the following TÜV SÜD BABT Certificates, and therefore the Marine Equipment Directive (96/98/EC), is not effected by the modification.

BABT-MED000073	MK11 SharpEye™ MantaDigital™ X Band CAT 2 Radar System
BABT-MED000088	MK11 SharpEye™ MantaDigital™ X & S Band CAT 1 Radar System
BABT-MED000089	MK11 SharpEye™ MantaDigital™ X & S Band CAT 2 Radar System

The current applicable software version is shown in the table below.

Yours sincerely
